Shannon & Christian arrive around 7:30pm. Clint & Carolyn are enjoying burning their turkey sausages.

Setting up the tent, a few beers & the backup tent, Shannon attempts to cook ravioli! Success!

Stars are shining bright tonight. No sign of the moon around.

"No bugs this year! Too much wind!" says Carolyn. YEAH!

Where is everyone, so lonely here tonight, so quiet it. Soon, soon they will come. If you set up tent, they will come.

Hello World,

Casey & Kipp arrived @ 8:20am today. They set up their tent, Oh! a plane is flying over, and then went to the beach. Kipp caught a little sand crawly thing and it tickled our hands. Kipp got wet when a big wave crashed and splashed onto the bottom of his shorts and his crotch. Clint, Carolyn, & Kipp set up the badminton net.

Game 1:

Casey & Clint: 4 / Carolyn & Kipp: 21

Game 2:

Casey & Clint: 1 / Kipp & Kipp: 9

Carolyn: "Seeing him smoke makes me want to smoke."

Clint: "Me too."

Uh oh, horseflies eating Kipp. As long as they stay on him I guess.

Date 8.3.07

We went in to ocean  
It was lots of fun  
Casey, Clint, Kipp & I dug  
for sand crabs.

Clint is trying to pull  
his shirt over all the  
helicopter chairs he was  
unsuccessful.

Carolyn went to the porta potty  
and everyone decided to  
take naps. Clint and Shannon  
are under the shade of some  
picnic tables while Christian  
continuously tries to make  
his kite stay in the air.  
Kipp lays on the sand under  
the shade of the 2 umbrellas.

In case you are wondering

Date 8.3.07

Carolyn did not take a  
dump in the porta potty  
... yet.

Vicky + Jay arrived with  
lots + lots of food + very  
little organization.

Jay made delicious turkey  
sausages + green beans.  
Ryan Somma had a  
shish-kabob made entirely  
of mushrooms - it looked  
sucking awesome!

Vicky: How do you spell  
shish kabob?

Erin + Dan: S-H-I-T...

R-R-R-R-UICK!

They'll never notice  
this is gone

So, I had a lot of time to work on this drawing since I am currently sitting in the tent in the middle of a thunderstorm. Oh, well, it just makes this trip that more memorable!

don't just missed the awesome lightning bolt

Just being beautiful is enough but how

I'm so awkward

Angel, Ian, Kipp, Susan, Casey and Svetlana <sup>& misha</sup> went skinny dipping while the others sat around the bon fire. Casey and Kipp went for a walk and found a thousand crabs!

I saw a shooting star on the beach. It felt like I was in a dome  
Dome Sweet Dome!

Glow-in-the-dark crabs?

Yeah, we went skinny dipping and discovered ~~crabs~~

~~glow~~ phosphorescent critters.

I must look this up on the internet - why do they glow? It seems like an evolutionary disadvantage as someone pointed out.

Date 8.11.81

~~At least~~ or maybe there's been a nuclear accident and all the crabs got irradiated. Anyway now I'm no longer envious of my old landlord who just posted <sup>in LS</sup> about his phosphorescent phytoplankton swim in Vieques Puerto Rico.

Ryan helped w/ the trash. Yay!

You can't trip on Absynthesizer!  
Hallucinogenic world.  
For every boy and every girl.

Just being here is beautiful!

Date

Ryan couldn't think of anything to write. 😊

Wait! Yes he could!

Carolyn once again organized a fantastic trip. Sunday morning there was a nice sea-mist over the site. It was nice to wake up w/o hot sun beaming down on us. The camp site wasn't too bad as far as trash. She has a dog is smoking a cigarette and his head is 1/2 gray. There are sea gull prints every where... when the adults are away, the seagulls will play. Ryan and Vicky got to hang out b/c Doug wasn't here to be gay for Ryan. 😊

My beard is only 1/6 gray. I didn't have time to shave, ~~and~~

Last day here: ch was a great trip. Sad to see all the tents come down & people leaving. A couple stragglers left here, cause we don't really want to leave. The clouds are out, the sun is trying to peek through them unsuccessfully.

Heather & Gene came in around midnight while we were all at the bonfire. They had a good time ch' sure.

Can't wait until next year!

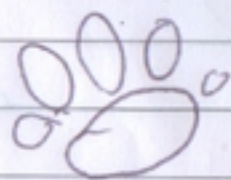

Happy Birthday tomorrow Christian!  
:)

Why did Beth go pumping??  
She knows better!!

I successfully did not  
get burned by a rogue  
ember. - Carolyn  
but Clint got burned  
by the crack lighter.  
- Carolyn

I had a great time! It was fun being harassed  
by the park guards & running my dog into  
a fence. Good people, good times, hope to do it  
again next year!

I had a great time!  
So did Baxter! Nice hanging  
out w/ everyone, and meeting  
new people

-Summer

The birds here ate  
fearless in a bad way.  
They'll come right up and  
sit on the table and  
on our chairs & clothes.  
~~Not~~ Not even seagulls  
but like ~~star~~ starlings but  
greyer & lighter, speckled  
brown. Fucking uppity birds.  
How about respecting our  
personal space.

Date . . . .

Well we weren't here for very long but it was a blast on the last night! Next time we're coming early! Thanks a lot for the planning, we had a really good time! See you next year!

~ Gene

Well, it's the last day here. We're all packed up and ready to go. Still feeling a tad bit hung over from the last days festivities. Also tired. Wound up overfeasting on crab legs last night, and then fell into a 4 hour food coma, from which I did not awake till 2am. There was still a raging bonfire on the beach, so Shannon + I stayed up till 4:30 am. Good times! We'll have to do

Date . . . .

this again next year.
